## FREIGHTLINER M2 112 EXPEDITER

The **Freightliner M2 112** is the ideal platform for our custom luxury Expediter. The Detroit™ DD13® 410HP engine combined with the Eaton® Fuller® Ultra Shift Plus transmission gives you the power and fuel efficiency to run a profitable business. The 33,000 GVWR ensures that you will maximize your payload.

Smart, stylish and functional, the M2 112 features a sloped, aerodynamic hood, a low profile dash, and a 2,500 square inch

windshield that gives you best-in-class visibility. The vehicle also provides up to a 55-degree wheel cut, set-back front axle and swept-back bumper for excellent maneuverability in tight situations.

The 96" luxury premium-interior custom sleeper includes a range of standard features including a single or double sleeping bunk, shore power, premium exhaust fan, a full kitchen including a full size refrigerator/freezer, and more.

**LUXURIOUS • COMFORTABLE • FLEXIBLE**
