KEEPING YOU ON THE ROAD

After the sale, you can count on Fyda Freightliner to help keep your Expediter operating in top form for your business.

Our Columbus dealership offers 24/7 Service and Parts Department hours, with highly skilled, factory-trained and certified technicians, and dedicated professional parts personnel, ready to serve you around the clock.

Our company carries over \$12 million in parts inventory. If a part is unavailable at one of our locations, no problem – we will have it the next day!
