FREIGHTLINER CASCADIA 116 LUXURY CUSTOM EXPEDITER

The **Freightliner CASCADIA 116** allows you to run a profitable and successful Expediting business. Efficient and reliable, the CASCADIA 116 Expediter is specified with the Detroit™ DD13® 410HP engine and Detroit™ DT12™ transmission to ensure durable productivity. The 33,000 GVWR ensures that you will maximize your payload.

Engineered and built for long-term efficiency, the CASCADIA 116 Expediter keeps your business running for miles. The low-mounted dash, large windshield and sloped hood ensure all-around visibility. A wheel cut of up to 50 degrees offers a tight turning radius and excellent maneuverability.

The 110" luxury premium-interior custom sleeper includes a range of standard features including a single or double sleeping bunk, shore power, premium exhaust fan, a full kitchen including a full size refrigerator/freezer, and more.
