**FYDA FREIGHTLINER**

Where "The Customer is First"

# NEED REPAIRS ON SITE?

## Fyda Pittsburgh **Mobile Repair Service** Has You Covered

### We **Bring** The Repair Shop **To You**

Don't waste your time and money with a mobile repair service that doesn't have the training and expertise to repair your truck. Bypass the wait and expense of finding out your truck needs to be towed to us anyway and call us today. We will dispatch our factory trained and fully certified technician to diagnose and repair your truck on site at your facility or to work roadside to repair your truck.

### Mobile Repair Service Covers The Full Range of **Truck Repair & PM** Services

- Scheduled On Site Warranty Repairs, Recalls & Product Bulletins
- Authorized Warranty Repairs For:
  - Freightliner, Western Star & FCCC
  - Detroit, Cummins & CAT Diesel Engines
  - Detroit DT12 & Eaton Transmissions
