THE ULTIMATE IN FRONT-END PROTECTION!

Maximum Uptime: Ex-Guard® protection keeps your trucks on the road and out of the shop. No more waiting for replacement parts!

Built tough, but light! Constructed of high-strength steel, strongest pound-for-pound protection available.

Aerodynamic design prevents fuel economy loss as proven in a study by Mesilla Valley Transportation Solutions. See the full results at ex-guard.com/fuel-economy-testing.

Secure, rattle-free latches of the highest quality allow quick and easy access, making pre-trip inspections a breeze.

BLACK MAMBA GLOVES

BLACK MAMBA GLOVES were created in response to repeated demands from customers needing a disposable glove that was tough enough to withstand the tasks that their jobs required.

No longer will you have to change your glove multiple times due to ripping or tearing.

For gloves built for your tough tasks... it has to be Black Mamba Gloves.

FEATURE: Proprietary NITREX Polymer

BENEFIT: Superior strength and tear resistance.

FEATURE: Two-Ply Fusion Strength

BENEFIT: Our unique process fuses an added polymer to facilitate donning and comfort.

FEATURE: Chemical Protection

BENEFIT: 3 times the chemical resistance of latex or vinyl.

FEATURE: Made to Grip... Not to Slip

BENEFIT: Fully textured with Grip Rite finish, Mamba Gloves provide the precise contact when tactile sensitivity is a must.
