BLACK MAMBA GLOVES

BLACK MAMBA GLOVES were created in response to repeated demands from customers needing a disposable glove that was tough enough to withstand the tasks that their jobs required. No longer will you have to change your glove multiple times due to ripping or tearing.

FEATURE: Proprietary NITREX Polymer

BENEFIT: Superior strength and tear resistance.

FEATURE: Two-Ply Fusion Strength

BENEFIT: Our unique process fuses an added polymer to facilitate donning and comfort.

FEATURE: Chemical Protection

BENEFIT: 3 times the chemical resistance of latex or vinyl.

FEATURE: Made to Grip... Not to Slip

BENEFIT: Fully textured with Grip Rite finish, providing the precise contact when tactile sensitivity is a must.
